

IDEASS: Defining Project Next Steps

It is the first week of Fall Quarter and you have been invited to IDEASS Year 2 to describe your project and tell new students about how to continue your project. What would you tell them about what they can do to continue your project? Turn this in at the end of class.

Next Step #1 (Brief Description):

Time Constraint (How long should it take to complete? Does it need to be completed by a certain date?):

Skill Requirement (Does this next step require any special skills?):

Mentor Support (Is there any specific support required from either a current or future mentor?):

Funding Need (Does this next step require funding? About how much? Are funds available or have you identified funding sources?):

Next Step #2 (Brief Description):

Time Constraint (How long should it take to complete? Does it need to be completed by a certain date?):

Skill Requirement (Does this next step require any special skills?):

Mentor Support (Is there any specific support required from either a current or future mentor?):

Funding Need (Does this next step require funding? About how much? Are funds available or have you identified funding sources?):
