

IDEASS - Gallery Walk Discussion Format / Questions

** Take detailed notes on all discussion related to your poster. Your weekly log will have questions about this discussion.

1. Individually, read the comments on your poster carefully. Think about:
 - a. In which areas do you think your poster is strongest? Weakest?
 - b. Are there more comments from a certain category of criteria?
 - c. Do you agree with these comments? Why or why not?
 - d. Are these the comments you expected to get? Why or why not?
2. Pick a comment to discuss with the group:
 - a. Identify the criteria (from the sheet) that it is related to.
 - b. How could this comment be addressed in your project?
 - c. Rotate around the group and pick comments from each group member to discuss.
3. For each project, talk about:
 - a. Why does this project appeal to you personally? Why not?
 - b. Do you think this project will be successful? Why or why not? What would make it successful?
